

Welcome to the inaugural year for KV Dressage Schooling Shows! We are excited to bring riders from Kansas City and the surrounding area more options for showing and community. Our hope is to complement the existing local events with another venue and dates to help our equestrian community to have opportunities to school, show and learn! We are excited that our shows will gain riders scores towards KCDS Year End Awards and The Property Shop Awards.

Class Descriptions

- Sport Horse In-Hand: Sport Horse In-Hand classes evaluate a horse's potential as a dressage or eventing mount by judging its conformation (structure), movement (walk, trot, canter), and overall presence, focusing on harmony and athleticism; it's a key step in developing prospects from young horses to under-saddle competition, emphasizing proper training for forward movement and responsiveness, using specific equipment like show halters or bridles for control and presentation in a triangle pattern. Following the USEF rulebook: horses 5yrs and under are eligible. Horses two and over are to be shown in a bridle. Horses under two as of January 1 of the calendar year are to be shown in a halter.
- USDF Materiale: This refers to a rail class where young horses (3-5 years old) are judged in groups on their walk, trot, canter, movement quality, and potential as dressage horses, evaluated for their breed's suitability for dressage. Stallions will be separated into their own class, but pinned together.
- Equitation Classes: These are group rail classes. Riders and horses of any age are welcome to enter. No Stallions permitted. Walk/Trot class can have movements equivalent to Intro B. USEF/USDF Dressage Seat Equitation is equivalent to First Level.
- Trainer In Your Ear Test: This test allows for 7 minutes in the arena to perform a test while receiving coaching via bluetooth or other communication device from your trainer. Tests are NOT judged. Trainer must remain outside of the show arena at all times, standing at E/B/C is permitted.
- Para-Equestrian WDAA Exceptional Rider Tests: No dispensation required to enter. Available to riders with physical limitations or disabilities.
- Walk Only Dressage Test: Please see test at end of Prize List
- Lead Line Tests: Please see tests at end of Prize List
- Dressage Trail Class: Dressage and Western tack welcome. Please see test at end of Prize List
- Prix Caprilli: These classes include a jump within the test. Can be ridden in jump tack. Walk/Trot Class includes 1 foot cross rails. Training Level includes jumps up to 2 feet.
- 15 minute Test & Video with Katelyn Victoria Razumovsky USEF 'r' Judge: This is a 15 minute sit down with Katelyn to review your score sheet and a video of a test that was performed that day. During this time you'll be able to talk strategy, ways to improve, exercises to practice and steps needed to progress toward the next level. Great for first time competitors, riders new to Dressage or riders feeling stuck at a certain score or level.
